

# Your Legacy, Their Future

Leave a lasting impact on the lives of rescued horses and ponies.

# Essex Horse & Pony Protection Society

At EHPPS, we rescue, rehabilitate, and rehome horses and ponies who have been abandoned, neglected, or are in need of a safe and loving environment.

**By remembering EHPPS in your Will, you can ensure that this vital work continues for years to come.**

## Why Leave a Legacy?

Leaving a gift in your Will to EHPPS is one of the most meaningful ways to help secure the future of equines in need. Your legacy can provide:

- **Safe Haven:** Support the rescue and rehabilitation of horses and ponies, giving them a second chance at life.
- **Ongoing Care:** Ensure long-term medical care, food, and shelter for animals that may otherwise face abandonment.
- **New Beginnings:** Help us rehome horses into loving, foster environments where they can thrive.

## A Gift in Your Will, No Matter the Size

Whether large or small, your legacy will make a lasting difference. Even a modest gift can support the essential care and services EHPPS provides every day. Did you know that you could leave us a gift of 1% in your Will, which would make a huge difference to our horses, leaving 99% for your loved ones.

# How Your Legacy Helps

Here are just a few ways your gift could transform lives:

could help fund medical treatment for rescued horses

could support the full rehabilitation of a rescued horse, including medical care and training

could help us build new, safer stables and expand our rescue capacity

# A Gift in Your Will, Could Help Rescues Like:

**Clifford** who had been abandoned, with severe hind leg injuries, requiring specialised treatment and rehab.

6 month old **Billy** who came to us because of deformities in his legs.

**Josh**, who was orphaned after his mother was brutally attacked.

**Aladdin**, who suffers with laminitic hooves and respiratory issues.
