

## They Need Us and We Need You

**FLINT:** This emaciated and sickly youngster had been left tethered on waste land, abandoned and left to starve by his callous owner. Following a complete rehabilitation through EHPPS, Flint is now a happy, healthy pony whose future is secure. This was only made possible by the generosity of our supporters. Without them, Flint would surely have died.

**OREO:** Oreo's dam died just minutes after Oreo was born, leaving a very frail and sickly foal. He was nursed around the clock by our team for a week, having to be fed via a nasal tube. Thankfully, Oreo was a fighter and, with the skills of our vets and the dedication of our staff and volunteers, Oreo is now a healthy, strapping lad.

## How is EHPPS' Money Spent?

Average monthly feed bill is £1,200  
Average monthly hay bill is £2,100  
Farriery costs £25 per horse every six weeks  
Vaccinations cost £40 per horse annually  
Horse passports cost £85 per horse  
Equine dentistry costs £40 per horse twice a year

Add vets' bills, staff costs, insurance, transport, stationery and other operational costs, and the total is in excess of £16,000 per month.

EHPPS receives no Government funding, relying entirely on donations, memberships, fundraising, grants and legacies.

Our horses and ponies owe their very lives to the kindness and generosity of our supporters.

On their behalf we would like to say a huge

**THANK YOU**

## REMEMBER OUR HORSES IN YOUR WILL

Let your Will be a lasting legacy of your love of horses after you have gone ...

... and we can continue to help horses and ponies in need of our care for many years to come.

## Making Your Will

Making a Will is one of the most important things you can do to ensure that your loved ones and the good causes you are passionate about will be provided for in the future.

It can seem daunting, but making a Will doesn't have to be complicated or expensive and a solicitor will gently guide you through the process.

Once you've made provision for your family and friends in your Will, why not think about leaving Essex Horse and Pony Protection Society a legacy – however large or small. This will enable our Charity to continue helping horses and ponies who have had such a bad start in life to have a brighter future. EHPPS receives calls day after day reporting cases that require investigation and/or action by us. We are proud of the fact that our response rate to emergencies and complaints is second to none. When a welfare concern is brought to our attention, it is dealt with – IMMEDIATELY. We will do whatever it takes to rescue a horse from cruelty or abuse; we will put in as much time and effort as necessary to rehabilitate and care for these animals – be it 24 hours a day, 7 days a week, 365 days of the year – but we can't do it without adequate and constant funding.

Please help us to continue with our much needed work.

## What Type of Legacies Are There?

Depending on your circumstances and wishes, your solicitor might recommend one type of legacy above others, but this is ultimately your choice and if you have already made a Will, all you need do to amend it is ask your solicitor to add a codicil which is quick and easy to do and cheaper than making a completely new Will.

There are three main types of gift you might like to consider leaving: a cash sum, a share of your estate or a specific item.

### A Residuary Legacy

Part, or all, of your estate (after debts, funeral costs and pecuniary gifts are paid);

### A Pecuniary Legacy

A specific sum, which can be index-linked to safeguard its future value;

### A Specific Legacy

A particular item to be used or sold by the beneficiary.

**To find a solicitor to assist you on drawing up your Will, you may wish to use "The Society of Will Writers" who are regulated and insured. Simply go to their website ([www.willwriters.com](http://www.willwriters.com)), click on "Find a member" choose your County, then put in your postcode and it will come up with a list of solicitors near you.**

**If using one of the free Will services, remember to check the service belongs to either The Society of Will Writers or The Institute of Professional Will Writers.**

**Your solicitor will need to know the Name, Address and Charity Number of the Beneficiary:**

**Essex Horse and Pony Protection Society,  
Pitsea Hall Lane, Basildon, Essex, SS16 4UH  
Registered Charity No. 297893**
